

Press release

FÜRSTENFELDBRUCK, October 2017

Güntner: Andrea Belloni new Sales Director Western Europe

Andrea Belloni is our new Sales Director for Western Europe. He takes over the task of Miguel Garrido who joined our US sales office. Following the significant recovery of economy accompanied by increased investment activity, the sales area Western Europe plays an important role.

Andrea Belloni has been responsible for Güntner's global Energy & Process Cooling (EPC) sector since 2015 and will continue to manage this area. He also continues to assume his task as Sales Director Far East Asia.

About Güntner

Based in Fürstfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high-quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.
