

## Press release

FÜRSTENFELDBRUCK, November 2017

### Güntner: Michael Freiherr appointed CTO

Michael Freiherr, Head of Product Management at Güntner, is now Chief Technical Officer (CTO) as of August 1.

#### Global responsibility for products and laboratory

Michael Freiherr is now responsible for the global product development, the product management and the world-wide lab utilisation. This includes the task of analysing the product requirements in different regions, coordinating the corresponding research topics and the resulting synergetic effects between the labs, and then incorporating them into product development.

#### About Güntner

Based in Fürstfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high-quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.
