FÜRSTENFELDBRUCK, 27.03.2018

**Comment on the 2012/19/EU Directive  
dated 4 July 2012  
on waste electrical and electronic equipment (WEEE)**

**Article 2 of the 2012/19/EU Directive**

**Scope**

"(3) This Directive shall not apply to any of the following EEE:

...

c) large-scale fixed installations, except any equipment which is not specifically designed and installed as part of those installations"

**Article 3 of the 2012/19/EU Directive**

**Definitions**

"c) 'large-scale fixed installation' means a large-size combination of several types of apparatus and, where applicable, other devices, which

- i) are assembled, installed and de-installed by professionals;
- ii) are intended to be used permanently as part of a building or a structure at a pre-defined and dedicated location; and
- iii) can only be replaced by the same specifically designed equipment;"

**The products from Güntner GmbH & Co. KG do, according to the above-mentioned articles, not fall within the scope of the 2012/19/EU Directive as they are, as part of large-scale fixed refrigerating installations, assembled, installed and de-installed by professionals, as they are intended to be used permanently at a given place and as they can only be replaced by specific products designed for the same operating parameters.**

Kind regards,  
Güntner GmbH & Co. KG
