Statement on Regulation (EC) No. 1907/2006 of the European Parliament and the European Council dated 18 December 2006 regarding the registration, evaluation, authorisation and restriction of chemicals (REACH), published on 30 December 2006 in the Official Journal of the European Union 396/1

Dear Sir or Madam,

Date 2020-12-16

We would like to thank you for your enquiry regarding our compliance with Regulation (EC) No. 1907/2006 (REACH) and provide the following information to you:

Güntner GmbH & Co. KG does not produce or import (from countries outside the EU) any substances or preparations subject to registration under REACH in a quantity weighing at least one tonne annually. Furthermore, Güntner GmbH & Co. KG does not sell any substances or preparations subject to registration in a quantity weighing at least one tonne annually.

As a result, Güntner GmbH & Co KG is classified exclusively as a downstream user.

According to the research we conducted, apart from the substances mentioned in the list on page 2, the products supplied to you and the packaging used to ship these goods do not contain any substances of very high concern (SVHC) that are identified in Article 57 of the REACH regulation as being carcinogenic, mutagenic, toxic for reproduction, persistent bio-accumulative or toxic. Our research is based on the version of the candidate list, which was valid at the time this declaration was released.

Furthermore, we have taken steps to ensure that our products comply with the REACH Regulation. We also comply with the information requirements contained in Article 33 of the above-mentioned Regulation.

Kind regards,
Güntner GmbH & Co. KG

Michael Freiherr
Managing Director, CTO
